4.

(State briefly your legal claim or your reason for filing suit. Include the statue under which the suit is filed.)

Ray at Century Import Automotive has mislead me. Under misrepresentation Washonda Howard-Hunt could not sale my 2005 Pontiac 5. because of lack of document with the delay I was told from the DMV by Century (Give a brief, concise statement of the specific facts involved in your case) Import

I went to the DMV to get some kind of understanding on the delay on receiving a title. Me and Mother were told the car dealer did not release the title. The car was towed.

(State the relief you are requesting.)

The car was towed because of no tag because of the fault of the dealer the DMV stated they do not understand what the dealer is doing as far as

the title release, I just receive the title July 1, 2022. The person I sold the car to ended up with Covid-19 I ended up with Covid-19. But, before we ended up with Covid-19,

We just could not get the information we needed to receive a tag or title from Century Auto owner.

I am asking for \$3,000 for the lost, and towing of the car.

I am requesting \$3,000. I lost this car the way the DMV explained the dealer did something wrong.
